Talking Point by Team Rector Revd Jane Willis

Happy Easter!

Yes, it's still Easter... The resurrection is way too significant to celebrate for just one day. The gospels tell us that over a forty-day period the risen Jesus appeared to his followers – including, at one point, a crowd of over five hundred. Lastly, he called his disciples together and commissioned them to share the good news of his coming with all the world – but first they are to wait, and to pray for the coming of the Holy Spirit.

Jesus then blessed his followers and was taken up into a cloud and into heaven. Those disciples who had been bewildered and bereft at the crucifixion are bereft again. But this time they gather in that upper room, faithfully watching, waiting and praying for the coming of the promised Holy Spirit – who would equip them and empower them to share the gospel with the world. We read how at Pentecost the Holy Spirit came, with what seemed to be tongues of fire and the sound of a mighty wind – and we see the disciples transformed and sent out as the good news of Jesus begins to be shared around the world. Two thousand years later church exists because the news of that same transforming relationship with Jesus has been passed from one generation to another. But like those first disciples, we cannot do this in our own strength – we too need the power of the Holy Spirit.

So since that time Christians have kept that 'novena', nine days of prayer, from Ascension to Pentecost. In the last ten years, beginning with the Church of England, but now internationally and interdenominationally, this has found new energy and focus in a season of prayer called *'Thy Kingdom Come'.*

Jesus taught us to pray for the coming of God's kingdom on earth, as it is already in heaven. In biblical times a monarch ruled with absolute power – their kingdom was where their will was done. Every time we pray the Lord's Prayer we pray for the coming of God's kingdom – for God's good and perfect will to be done, as it is in heaven – in our lives and in our world.

So I invite you now to join in that season of prayer – beginning on Ascension Day, 14th May. I've heard wonderful things about an Ascension Day service on Wittenham Clumps in 2004, where the Clumps were fittingly lost in low cloud. Maybe we will repeat that some time (though we cannot promise the same weather!) – this year we will be at another high point in our Dorchester Team area – at Toot Baldon. More information will follow – and we will have resources to offer you. Of all the 'high points' in the church year, Ascension Day is the most prone to be forgotten (maybe because it's on a Thursday?) – but let us remember this year, explore its treasure – and join with those first disciples, as we watch and wait and pray.

Every blessing
Jane

Team News

I'd like to introduce myself to those that I haven't yet met. My name is Lisa Morgan, and I'm married to Nigel, between us we have 7 children and 8 grandchildren, not forgetting 3 cats! We are both originally from South Wales. I have lived in various places including Somerset and London, but my ministry has so far been in the Diocese of Swansea and Brecon, and has encompassed both rural and city churches. I was ordained in 2020, a very challenging time as I'm sure you remember, so my ordination service was rather different to most! I love swimming, especially in the sea or a lake, and I'm currently studying for an MA in Ancient Religions, which allows me to indulge my fascination for ancient Egypt.

Both Nigel and myself are excited at the thought of a move to Oxfordshire, a county that means a great deal to us. It will mean a return to rural ministry, which we particularly love, and an opportunity to serve in a different part of the UK. We are especially looking forward to sharing our love of Celtic spirituality with you all, but are hoping that things don't get too fraught during the Six nations!

Thank you to everyone who has been a part of this appointment process.
We look forward to welcoming Lisa to the team, please keep her, and Nigel with her, in your prayers.

Every blessing
Jane

ABBEY EVENTS
1st- 10th May
Dorchester Festival is an amazing 64 events raising money for Dorchester Abbey and, in 2026, Be Free Young Carers, a local carers charity. Come and see The Kings Singers, sing with John Rutter, folk with Steve Knightley & Rusty Shackle, dance to Jay Rayner's jazz sextet, be fascinated by Ashmolean Director Xa Sturgis, mesmerised by poet Brian Bilston, race ducks, find scarecrows, laugh with Nick Page, cook and do historical trails and much more! Times & Ticket prices vary.
www.dorchesterfestival.com

16th May- Orchestra of St John's – MOZART
Alma Dei creatoris is a sacred motet that serves as an offertory to the Virgin Mary, possibly written around 1777. Horn Concerto No 4 (K 495) is a cheerful, virtuosic work from 1786 for his friend,

horn player Joseph Leutgeb, famed for its playful dialogue and hunting themes.
Veni, Sancte Spiritus (Come, Holy Spirit) is a medieval Latin hymn and prayer.
The Sinfonia Concertante for strings is a rich and complex piece featuring solo violin and viola that emerged from his quest for artistic freedom in 1779.
£17.50 – £30.00 www.osj.org.uk

CULHAM PLANT SALE

Plant Stall Contributions

Amanda Bell has requested that contributions for the Plant Stall be brought to her house, 41 High Street, on Friday 29th May.

Can plants please be labelled identifying what they are.

If you want to contribute to the Plant Stall and have any queries, please contact Amanda via WhatsApp on +44 7856 874826.

Tombola Prize Contributions

If you have a prize to contribute to the Tombola, please can you drop it off at Caroline Bennett's house, 31 High Street, from Saturday 16th May until Friday 28th May.

If you need your Tombola prize collected, please contact Caroline via WhatsApp on +44 7941 036089.

Obituary

Charles Reichardt - died 4 April 2026 aged 87 years.

Robert Christopher Reichardt, known to all as Charles, was a long-term resident of Culham.
He moved to the village with his wife Ingrid in the 1970s. He was actively involved with St Paul's Church for many years, serving as Churchwarden and, later, PCC secretary. He represented Culham on the Dorchester Team Council and attended the first meeting of the Council when it was formed.

Charles was a linguist and taught Modern Languages throughout his career.
He lived in Culham with Ingrid, his wife, and his sons Christopher and David.
He continued to support church and village events up to the end of his life.
The funeral took place in St Paul's on Wed 22nd April and Charles will be interred in Culham churchyard next to his son Christopher. He will be much missed.

Summary of Culham Parish Council Meeting Held on Wed 15th April 2026

The meeting was attended by four councillors, the Parish Clerk and members of the public. The chair also welcomed Kerry Holbrook-Bull from Adkin who was representing her client, Morrell's.

Transfer of the Green is ongoing and Morrell's solicitors would be in contact with Wellers who are acting on behalf of the Parish Council.

The Waggon and Horses is under offer (unknown buyer).

Morrells have objected to the SESRO reservoir plan to create a berm on their land?

Public participation:
An issue was raised about some fly tipping of tyres and advice requested about who to inform. Kerry agreed that the fly tipping was on Morrells land and would arrange removal. The hedge on the northern corner of Tollgate Road is starting to encroach the path again and the PC agreed to look at cutting back vegetation when convenient and appropriate, being mindful of any nesting birds.

General meeting:
OCC report - PC agreed to ask for review of speed limits in Thame Lane and Burycroft. The Clerk would contact Cllr. Robin Jones to put forward as part of the stakeholder consultation on rural roads.

The Clerk has contacted Venners Arboriculture to undertake a tree survey in the Rec and also the Green.

Current and end of year finances are available to view on the PC website. Costs during 2025-26 had risen due to the fallen Turkey Oak and had exceeded budget.

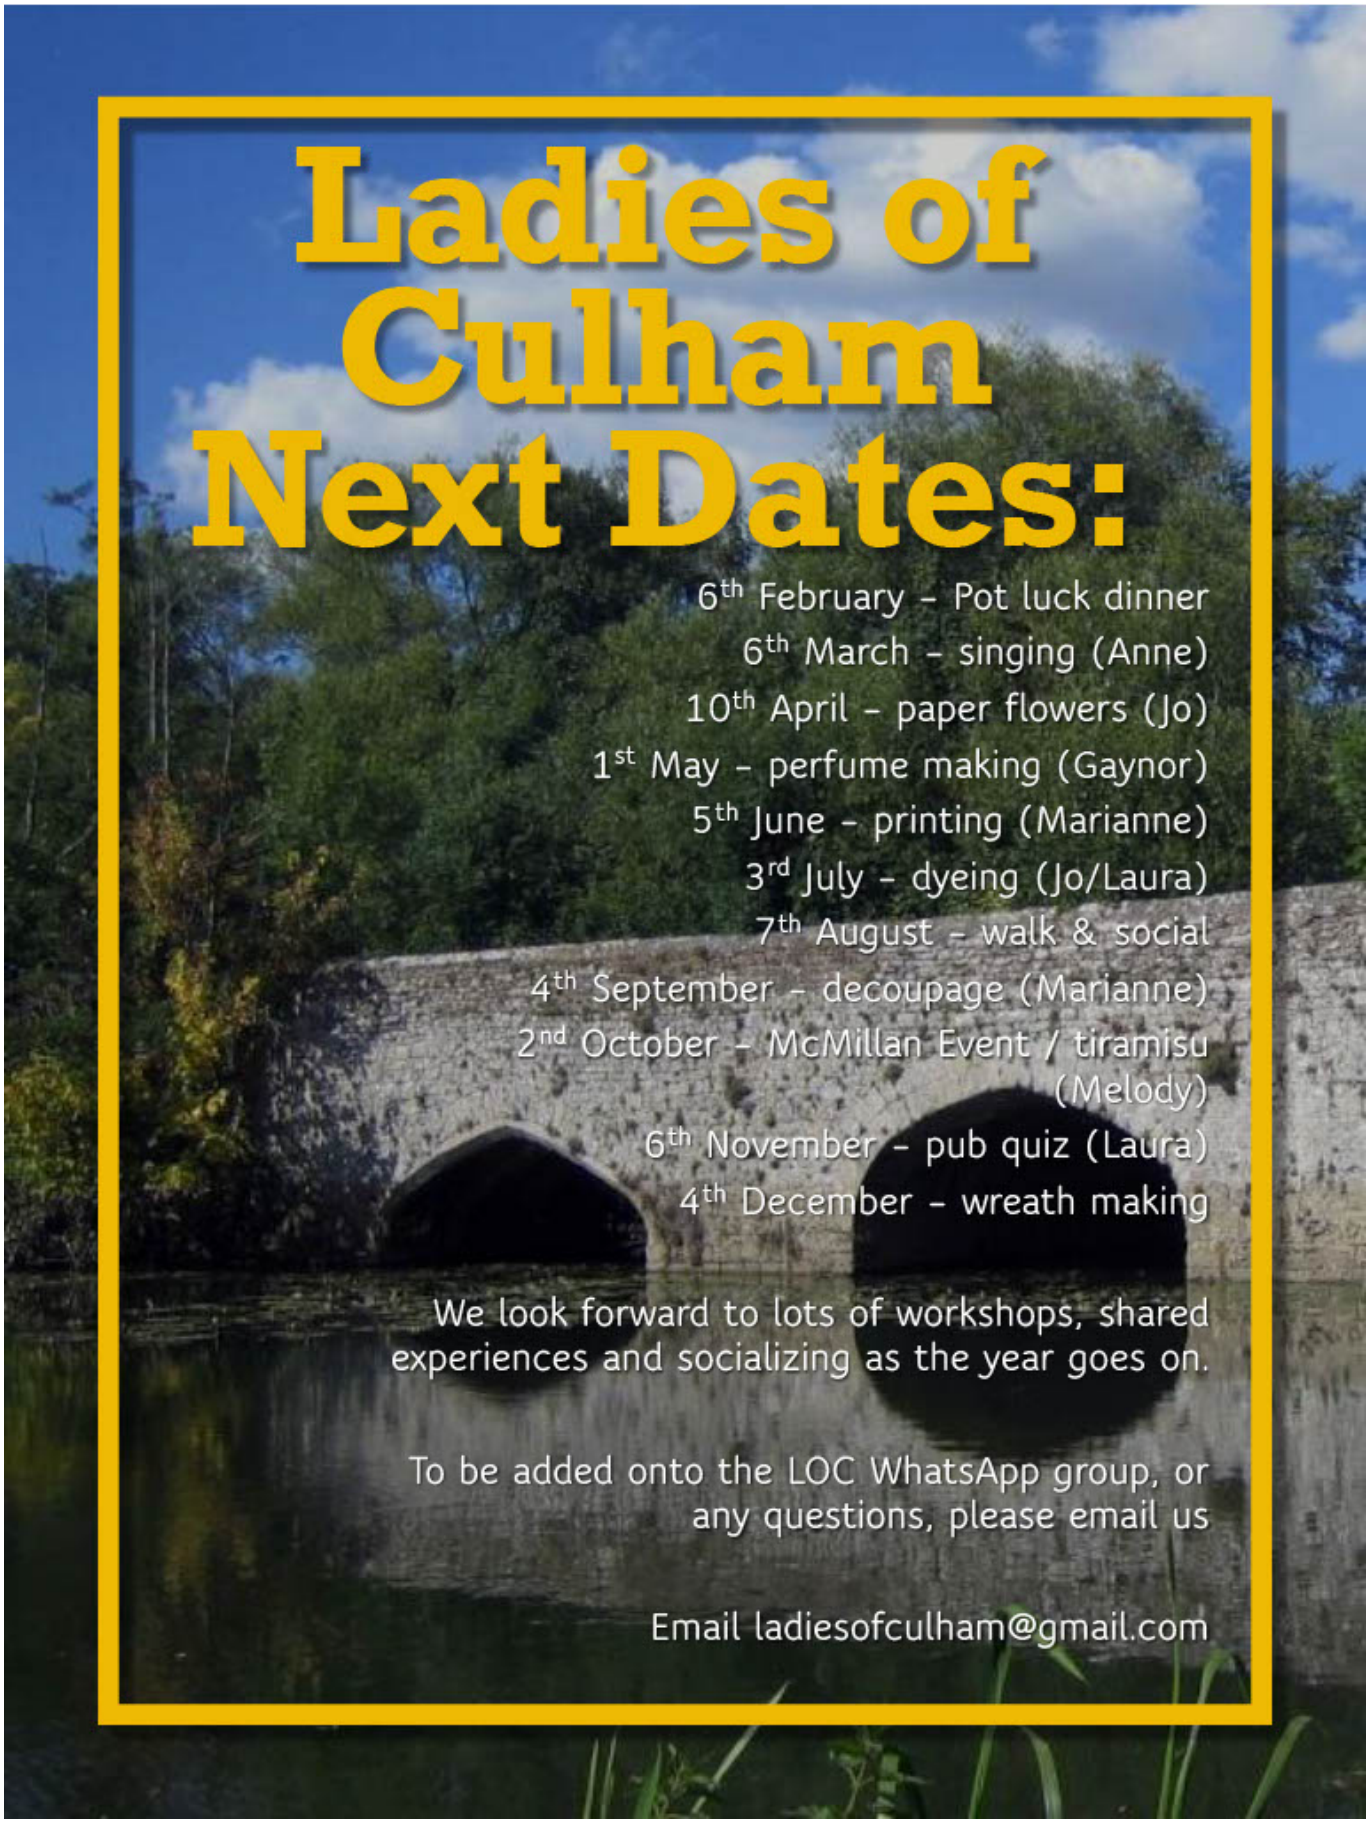

Councillors RESOLVED to pay the extra costs requested by Oxford Diocese to complete the extended lease agreement for The Glebe Recreation Ground, on the condition that the lease should be ready for review no later than 30th May 2026.

Annual Community Meeting will be on Wednesday 13th May 2026 at 6.30pm in St Paul's Church. Councillors will present an update of current projects, in particular:

- Village Pavillon options
- Community Orchard, location and plan
- HIF1 (Grahams contractors) to be invited
- White Horse Reservoir, if any further updates

The next Parish Council Meeting will be on Wednesday 13th May 2026 at 6pm, prior to the Annual Community Meeting, in St Paul's church.

Full draft minutes will be available on the PC website by 30th April 2026.

Ladies of Culham
Next Dates:
6th February - Pot luck dinner
6th March - singing (Anne)
10th April - paper flowers (Jo)
1st May - perfume making (Gaynor)
5th June - printing (Marianne)
3rd July - dyeing (Jo/Laura)
7th August - walk & social
4th September - decoupage (Marianne)
2nd October - McMillan Event / tiramisu (Melody)
6th November - pub quiz (Laura)
4th December - wreath making
We look forward to lots of workshops, shared experiences and socializing as the year goes on.
To be added onto the LOC WhatsApp group, or any questions, please email us
Email ladiesofculham@gmail.com

End of an Era

Thames lock keeper in Culham retires after 60 years of service

Tony, the Culham Lock Keeper, is retiring at the beginning of May after 60 years of service.

He did 14 years of lock keeping elsewhere before he came to Culham and is the probably the longest serving lock keeper in the UK! On 7th May 2026 he will have served 60 years.

He came to Culham with his wife and two sons, 18 months and 3½ years old respectively in 1966 and this marks the end of an era.

Living in the lock keeper's cottage beside the lock and the River Thames, he became a familiar figure to both passing boaters and local residents. From his home at the water's edge, he carried out the daily responsibilities of managing the lock, carefully opening and closing gates, monitoring water levels, and ensuring the safe movement of vessels along the river.

Throughout his time in the role, he witnessed the changing rhythms of life on the Thames, from the busy summer months filled with leisure craft to the quieter winter period when the river slows. Despite these seasonal shifts, his steady presence remained a constant.

Tony has always been a friendly dependable presence and those of us that know him have spent many memorable and enjoyable chats with him as we walked past the lock. He has also been an ever presence to walkers and boaters alike. We are accustomed to seeing him at work by the lock or tending to the cottage he called home.

Now retiring, he leaves behind both the lock and the riverside home that has been central to his working and family life. His departure marks a significant moment for the village, as one of Culham's most recognisable figures steps away and a new chapter begins.

We wish him a very happy retirement.

Oxfordshire County Council News March/April 2026

Cllr Robin Jones
(Berinsfield & Garsington Division)

Email: Robin.Jones@Oxfordshire.gov.uk
Mob: +44 7916 29368

Formal Notice issued to Raise The Colours

At the end of March, OCC formally notified the Raise The Colours group to desist from their flag campaign. Their founder Ryan Bridge was arrested on Tuesday 24th March following a public order incident while continuing with the activity with a cherry-picker van on the Abingdon Road on Tuesday 24th March. A fearless member of the public climbed underneath his van preventing its movement. He was released on bail. In Wallingford on 9th April, a Reform flag has been installed on top of the existing Union and George flags.

Full County Council on March 24th

At the last Full Council on the 24th March we (the Green Party) seconded a motion by the Labour Party recommending we pay all Oxfordshire County Council workers the Oxford Living Wage (95% of London Living Wage) as a minimum. The motion passed and Cabinet will now consider how to accommodate this in the 2026/2027 budget.

Due to the circular nature of the hearing of motions our own proposed was fourth on the day (ours being first at the previous council) and so ran out of time to be discussed at the meeting. It was based on the 2024 Oxfordshire Climate Risk and Vulnerability Assessment and how the impacts we are seeing now are worse than then, and looking to ringfence (increased) investment to ensure residents are safe from the ever-increasing risks of unprecedented flooding and rising temperatures.

We are still trying as a Group in Council to change the constitution to enable more motions to be heard at each Full Council along with an improved rotational approach.

Stakeholder Consultation on Speed Limits on Rural Roads

The above is scheduled to take place concerning rural ‘A’ and ‘B’ roads this Spring, possibly late April. The aim is to rationalise the sometimes large variation in limits on the same stretches of roads making compliance difficult, as well as an obvious lowering where possible in line with the County’s ‘Vision Zero’ policy – (zero road deaths in Oxfordshire by 2030.) Parishes with roads of

concern should write to me in the first instance and I will collate to provide an overview document and liaison with the Officers.

Local Government Reorganisation (LGR)

The public consultation has now closed and the government is now reviewing the feedback received alongside the proposals submitted by councils across the country. A 'minded-to' decision on whether there will be on, two or three unitary authorities for Oxfordshire is expected ahead of the Parliamentary summer recess, anticipated on or shortly after 16 July.

Local Elections

District and City council elections are taking place across Oxfordshire on Thursday 7 May for Cherwell District Council, Oxford City Council and West Oxfordshire District Council.

THREE WRITTEN QUESTIONS FOR CABINET PERMITTED BY MEMBERS EACH FULL COUNCIL (24th March Berinsfield & Garsington Division)

1.) *COUNCILLOR ROBIN JONES: Can the Cabinet member confirm that the public consultation on the draft revised Minerals and Waste Local Plan proceeded in Jan-Feb 2026 as outlined in the Statement of Community Involvement (SCI) Review Timetable and therefore that work towards the Minerals and Waste Development Scheme MWDS) is on schedule for Adoption in March 2027?*

COUNCILLOR JUDY ROBERTS, CABINET MEMBER FOR PLACE, ENVIRONMENT AND CLIMATE ACTION In July 2025, Cabinet agreed to cease producing a new Minerals and Waste Local Plan under the current plan-making system and prepare to produce the plan under the new plan-making system, proposed by the Levelling Up and Regeneration Act 2023, once it was brought into effect. Therefore, there is no current timetable for the Minerals and Waste Local Plan production, nor are we seeking to adopt by March 2027 and consequently no consultation was undertaken in January/February 2026. The Levelling Up and Regeneration Act commencement regulations relevant to Local Plans were made on 2 March 2026 and the substantive plan making sections comes into effect on 25 March 2026. We are now examining these Regulations, the new plan making guidance and the implications for the new Minerals and Waste Plan. A new timetable for the production of the Oxfordshire Minerals and Waste Plan will be published in due course. If Councillor Jones would like to discuss the Minerals and Waste Plan, the Minerals and Waste Policy and Strategy Team would be more than happy to meet.

2.) *COUNCILLOR ROBIN JONES: Could the Cabinet Member please advise on the status of the 'B480 scheme' or the proposal for the creation of a LTN from the Grenoble Road roundabout towards Oxford? Has this scheme been sequestered for now in light of the proposed Northfields and South Oxford Science Village developments?*

COUNCILLOR ANDREW GANT, CABINET MEMBER FOR TRANSPORT MANAGEMENT: There are no proposals for an LTN for the B480. As part of an emerging development proposal at the Northfield site https://my.engaged.space/northfield/#home, the developer has proposed a diversion of the Oxford Road between the B480 and Garsington for vehicle traffic, with the current road maintained for cycle and pedestrian use. The county council has undertaken high-level design work for the B480 to help inform potential highway proposals in this area. Should a developer bring forward proposals, it is anticipated that residents, stakeholders and the wider would have an opportunity to input into design proposals as part of a consultation process.

3.) *COUNCILLOR ROBIN JONES: Can the Cabinet Member please update as to the status of the Science Vale Movement and Place Plan?*

The Science Vale Movement and Place Plan (MAP Plan) was adopted by cabinet on 27 January 2026 and has been published on the Oxfordshire County Council website alongside an overview chapter. The MAP Plans form Part 2 of the council's Local Transport and Connectivity Plan (LTCP) and sit alongside a number of other supporting strategies (such as the Freight and Logistics Strategy and the Active Travel Strategy). The MAP Plans are policy guidance documents and will be used to support future workstreams, scheme development, funding bids, responses to planning applications and developer contributions. They will remain live documents, with regular updates to ensure that they reflect the latest policy guidance, future Local Plans and strategies, and the development of schemes. The teams will continue to work towards the objectives and proposals contained within the delivery plan of the Science Vale MAP Plan

It has been a busy few weeks in Didcot, Wantage, Wallingford and across our area. I have continued to meet with constituents and raise local concerns, while pressing the Government on issues that matter to them.

Sewage Scandal

It has recently been published that in 2025, there were 350 illegal sewage spills across Didcot and Wantage. What makes this even more concerning is that water companies aren't required to measure the volume of these sewage dumps, meaning a single spill could be anything from a pint to a swimming pool full.

Any sewage spills are concerning, but residents have been writing to me about their concerns about Wantage Sewage Works flowing into Letcombe Brooke, as well as the South Mourton treatment works.

South Mourton treatment works has recently been identified as triggering the most sewage spills recorded in my constituency; however, this doesn't capture the volume of sewage flowing into our rivers.

I will continue to work alongside my Liberal Democrat colleagues to end this Sewage Scandal. holding both Water Companies and the Government to account.

The Liberal Democrats are calling for a full sewage reporting system, which forces water companies to publish the volume of these spills.

Great British Railways

I have continued to take part in discussions about the government's Great British Railways Bill. I want to ensure that passengers and their needs are at the centre of these discussions, not railway profits. It is essential that conditions and services improve.

I have introduced a bill to ensure that passengers are put at the heart of our railways. My bill would introduce a Rail Passengers' Charter, which would guarantee customers value for money, better onboard facilities and better compensation for issues that ruin travellers' journeys. I think it's unacceptable that, while train fares continue to climb, the quality of our trains remains stuck in the past.

I have launched a campaign to add public support to my bill and ensure our rail network is fit for purpose.

Iran

I was a guest on Sky News' post-Prime Minister's Questions MP panel. I was asked about the conflict in Iran and the wider Liberal Democrat policy on security and defence.
Whilst the current Iranian regime is appalling, Trump's ill-judged military action will not remove it through air strikes alone. Only diplomatic and economic action can hope to improve Iran's situation and avoid the global economic chaos likely to result from disruptions to Middle East oil and gas supplies.

Potholes

The Labour government's decision to cut Oxfordshire County Council's funding by £24.1 million over three years will put further strain on an already stretched budget. Rural roads are more dangerous for all road users due to dim lighting, poor road surfaces, and high speeds.

In parliament, I emphasised the need for long-term investment in local governments to improve our roads. I also suggested that we should look to our European neighbours for good practice in maintaining our road quality.

The Minister's response provided no clarity on whether increased funding will focus on preventing these issues from recurring rather than providing temporary fixes. The government must consider road strategies from other countries to find long-term solutions and put a stop to the ongoing pothole epidemic.

Rail Tickets

I've also challenged the Government on the new changes to rail ticket terms and conditions from 1st April, which ban refunds on walk-up tickets on the day of travel, except in circumstances of disruption.

This change will disproportionately affect vulnerable and elderly individuals, many of whom use ticket offices rather than online tickets.

General

I've also raised a variety of issues in my role as a member of the transport select committee. including opening the discussion on ways to increase the number of electric vehicle charging points.

As more and more electric cars become popular, the government should be looking at ways to ensure that national infrastructure is in place to handle the increased usage.

As always, if there is anything you feel I can help you with please do not hesitate to contact me and my team at olly.glover.mp@parliament.uk, or leaving a voice message 0207 219 7657.

Olly Glover
Liberal Democrat MP for Didcot and Wantage Parliamentary Constituency

Keeping phones out of the classroom

Mobile phones are ubiquitous, and bring many benefits in life, but they also create real problems, particularly within schools. Most schools will have some kind of “phone free” policy; but how effectively these are enforced varies hugely.

Last month I met with teachers and governors from several schools at Aureus Secondary School to talk about their approach to banning phones in school.

They have adopted a particular system, using lockable pouches, but there are lots of those things used by schools, such as lock boxes. For most of us a mobile phone is a useful - sometimes indispensable - addition to our lives, but during the school day they distract pupils, disrupt classes, can lead to poor discipline and lower attainment.

There are a number of perceived barriers to implementing a proper phone free policy in school - phones connected to medical devices, and young carers for example - but the experience of schools that have embraced a proper ban shows that these problems can be overcome. The benefits of removing the distraction can hugely outweigh the costs, reducing disruption, truancy and bullying.

I’ve already been in touch with other schools and discussing how we can spread best practice to all schools in Thames Valley and will hopefully be launching a new project later this year.

As well as increasing the number of neighbourhood police officers locally, as part of my Education Strategy, every secondary school in Thames Valley now has a named schools police officer - and primary school also have access to local support. The important role these officers play can be both dealing with incidents involving children - as either victims or perpetrators; but also working with teachers to educate children - and parents - about some of the risks facing them.

***Lee Miller: A Woman at War* exhibition to go on display at Soldiers of Oxfordshire Museum, Woodstock, this summer.**

- **Exhibition of war photographs by renowned photojournalist, photographer and surrealist, Lee Miller from 23 May – 13 September 2026.**
- **Follows a major exhibition of her photographs at London's Tate Gallery.**
- **Includes photos taken of nurses at Churchill Hospital Oxford, her first wartime assignment for *Vogue.***
- **Alongside many iconic photographs taken in wartime Britain, Miller accompanied US troops into Europe, a correspondent on battles and the liberation of concentration camps.**

Soldiers of Oxfordshire Museum, the county's military museum based in Woodstock, opens a new exhibition of Vogue model, surrealist photographer and war correspondent Lee Miller's wartime work in *Lee Miller: A Woman at War*, from 23 May to 13 September 2026.

During the Second World War Lee worked as a combat photographer with the US Army, creating a unique historical record.

The new exhibition will showcase her experiences of the time, covering her war correspondence work for *Vogue* from 1942 where she highlighted women's roles in the war effort, as well as the reality of life for women caught up in conflict across Europe. Her first wartime assignment for *Vogue* captured nurses at work at a then-US Army hospital in Oxford – Headington's Churchill Hospital. A number of these photos will feature in the exhibition, returning to the county in which they were taken, a look back at the earliest days of her war photojournalism.

Miller would become one of the few female photojournalists on the front line covering the Normandy invasion and the liberation of Paris. Her work in the newly-liberated concentration camps of Buchenwald and Dachau was sent to *Vogue* in 1945, accompanied by the caption 'I IMPLORE YOU TO BELIEVE THIS IS TRUE.'

Her background in surrealism often came to the fore especially with her photographs of the Blitz, and the iconic photograph of her bathing in Hitler's bathtub in Munich on the same day he died was heavy in symbolism, she wrote 'I washed off the dirt of Dachau in his tub'.
Her 60,000+ negatives and documents were discovered in her attic by her son, Antony Penrose, after her death, leading to her recognition as a pivotal 20th-century artist and photographer.

Soldiers of Oxfordshire Museum is thrilled to be exhibiting her groundbreaking work and are grateful to the Lee Miller Archives and Farleys House & Gallery Ltd for allowing us to bring you this exhibition.

Lee Miller: A Woman at War continues the development of the museum's ongoing work to highlight creative responses to conflict alongside more traditional narratives, examine the role of popular culture in how we see conflict, as well as the role of women as not just witnesses of war but in shaping the course and history of it too.

Alongside the exhibition, the museum will host a 1940s photography 'Pro Am' with Oxford Photographic Society on Sunday 7 June 2026, offering the chance for professional and amateur

photographers alike to capture photos inspired by Lee's photojournalism. Living historians in wartime fashions and uniforms will provide models at the museum, around Woodstock, and at Blenheim Palace. Ami Bouhassane, Lee Miller's granddaughter and author of several books on her grandmother's life and work, will also visit the museum for an evening talk at 7pm, 3 September 2026. Check the museum's website for further details and tickets for these events, when available.

Lee Miller: A Woman at War opens on the Cloister Gallery at Soldiers of Oxfordshire Museum, Woodstock from 23 May to 13 September 2026. Admission prices apply, please see www.sofo.org.uk for up-to-date admissions and visitor information, including prices, offers and opening times.
